## INSTRUCTIONS

It is understood that the party ordering the switching will be responsible for the charges. The order should be sent to the Agent direct, but in emergency cases may be handed to the Yardmaster or Switchman, who will immediately do the work, fill in the blank space at the bottom, and send the order to the Agent, who will at once issue an order to the Yardmaster on Form 679.

The number of the order issued will be shown on the face of this order. This order will be filed by the Agent for reference.
