INSTRUCTIONS

This form will be used by the Agent in giving orders for switching to the Yardmaster, Conductor or Road that is to do the switching. If there is more than one road an order should be issued to each road. A bill supported by this switch order from the road that does the switching will be duly honored by this Company. Agent can prepare order on this form to Yardmaster or Conductor and connecting lines at one time by the use of carbon paper. See G. A. O. circular 204.
