PUBLISHER'S ANNOUNCEMENT

In response to the great demand for the previous list of mines and the map showing their location in Illinois and Indiana, the publisher has added to the value of the present edition by identifying each operation, and showing its exact location. It is hoped that the usefulness of the work will be increased thereby.

PEABODY COAL COMPANY.

Coal Mines - Illinois.

The following list of mines is arranged alphabetically in the order of their location. The first column contains the numbers used on the map to designate the mine. The column headed Ry. gives the railroad or railroads connecting therewith, the abbreviation used to designate the road is explained on page 5. The column headed County shows the county in which the mine is located.

No.	LOCATION.	OPERATORS.	HEADQUARTERS.	Ry.	COUNTY.
