T.J.Potter Lodge No 6.

Galesburg Illinois  
April 21st.1937

Mr E.T.Mahon  
Secretary T.J.Potter Lodge # 6,  
B of R.T. Aurora Illinois.

Dear Sir and Brother:

In order to clear up the case of the legality of the seniority of Brother Anderson and myself,I think that this is such a trival matter to arouse so much dissension and if it will make Brother Anderson feel any more exalted,You have my permission to place him ahead of me on the seniority list.

From the very beginning I should have been on the list ahead of him as I was put on the pay-roll one full day ahead of him as the records will show in General Office's.It is through a mistake of an Assistant Trainmaster that this case has come about in its present form.

But as I have stated before,if it will relieve Poor Bro. Anderson of his mental discomfort by all means put him ahead of me.

My only hope is that he will see fit to keep his Brotherhood dues paid up.

Fraternally yours,

(Signed) J.M.Greene.
