**INSTRUCTIONS:** 1. This record shall be made at each station, tower, office, or place from which the time of arrival, departure, or passing of trains is reported by telegraph or telephone.  
 2. Each operator, signalman, and leverman shall enter the time he goes on and off duty in the space provided for that purpose.

**NOTE:** Operators will make this report in ink and forward daily to Chief Dispatcher on first train carrying mail after midnight.  
 In column headed "Track" where there are two or more main line tracks, show by number the track used, numbering tracks for the purpose of this record consecutively from North or East. Where directions on Time Card are shown as North and South the West track is No. 1. Where directions on Time Card are East and West the North track is No. 1.  
 Under column "Form of Clearance Issued" mark "None" if clear block given. Otherwise show "A," "B" or "C" to indicate form of clearance given. If train is transferred at this station from one track to another show whether by "19" or "31" order and give number of order.  
 Where work or other trains are given block and leave same at point where entered, same should be noted under column "Remarks," showing "Work Train" or "Returned to" \_\_\_\_\_ account. Operators must personally identify extra trains.
